Due to limited seating capacity and overwhelming response to the hands-on training sessions, you must pre-register for all hands-on sessions. Please select and prioritize (1 - highest priority) the top 3 hands-on training sessions you would like to attend. If you do not wish to attend any hands-on sessions, please leave this section blank. You will receive your hands-on session(s) assignments with your registration packet at the workshop. We hope to honor all pre-registrations for hands-on sessions. No pre-registration is necessary for non-hands-on sessions.
